Description:

Market Snapshot

Global retinal implant market likely to exhibit a healthy growth over the next couple of years. Retinal implants have emerged as an innovative technology in the field of ophthalmology. They are being used for improving eyesight of people with partial or complete blindness. The technology is still in its nascent stage hence a mixed speculation continues to hover around it. Investment in retinal implants and prostheses R&D has increased in recent years owing to their immense market potential. Several private eyecare companies have entered the frame and are focusing on introducing more effective retinal implants. Majority of retinal implants that are currently available in the market are aimed at partially restoring useful eye vision. Such implants are effective in treating vision loss caused due to age-related macular degeneration (AMD) and retinitis pigmentosa (RP). Visual devices such as bionic eye and visual prosthesis are expected to have bigger impact in years to come, which in turn will pave the way for retinal implant market.

Report Synopsis

This MRFR report offers a thorough analysis of the global retinal implants market. The primary objective of the report is to analyze the current market landscape and its future potential. All the relevant parameters have been considered for market analysis. The report also includes a discussion on the growth opportunities, drivers and restraints.

Competition Tracking

The report offers insights into the leading market players and presents an assessment of their current market position. Company information with regards to revenue, segmental share, geographical income, SWOT, growth strategies, new product launch, M&A activities, and the latest R&D initiatives is also available in the report.

Research Methodology

Market Research Future (MRFR) employs a multi-layered analysis module for presenting accurate industry outlook. The combination of primary and secondary research processes for analysis of governing factors and macro-economic indicators of the market. Detailed surveys and interviews are conducted with key opinion makers across the value chain for collection of primary data. Secondary research processes are leveraged for verification of collected data through valuable inputs from SEC filings, white paper references, paid databases, research publications and other credible sources available in public domain. Additionally, top-down and bottom-up approaches are utilized to extrapolate data, which is then verified using a powerful data triangulation technique. These comprehensive research methods ensure accuracy and objectivity of the market foresight.

For the scope of the research, MRFR’s report offers a comprehensive segmental analysis of the global market for petroleum coke (fuel-grade)

By Type

- Argus II
- Implantable Miniature Telescope
- Retina Implant Alpha AMS

By Region
Table of Contents:

Chapter 1. Report Prologue

Chapter 2. Market Introduction
2.1 Definition
2.2 Scope of the Study
2.2.1 Research Objective
2.2.2 Assumptions
2.2.3 Limitations

Chapter 3. Research Methodology
3.1 Introduction
3.2 Primary Research
3.3 Secondary Research
3.4 Market Size Estimation

Chapter 4. Market Dynamics
4.1 Drivers
4.2 Restraints
4.3 Opportunities

Chapter 5. Market Factor Analysis
5.1 Porter’s Five Forces Analysis
5.1.1 Bargaining Power of Suppliers
5.1.2 Bargaining Power of Buyers
5.1.3 Threat of New Entrants
5.1.4 Threat of Substitutes
5.1.5 Intensity of Rivalry
5.2 Value Chain Analysis

Chapter 6. Global Retinal Implants, by Device Type
6.1 Introduction
6.2 Retinal Implants AMS
6.3 Implantable Miniature Telescope (IMT)
6.4 Argus II
6.5 Others

Chapter 7. Global Retinal Implants, by End User
7.1 Introduction
7.2 Hospitals

North America
Europe
Asia Pacific
The Middle East & Africa (MEA)
Latin America
Chapter 8. Global Retinal Implants, by Region

8.1 Introduction
8.2 Americas
8.2.1 North America
8.2.1.1 US
8.2.1.2 Canada
8.2.2 South America
8.3 Europe
8.3.1 Western Europe
8.3.1.1 Germany
8.3.1.2 France
8.3.1.3 Italy
8.3.1.4 Spain
8.3.1.5 UK
8.3.1.6 Rest of Western Europe
8.3.2 Eastern Europe
8.4 Asia-Pacific
8.4.1 Japan
8.4.2 China
8.4.3 India
8.4.4 Australia
8.4.5 South Korea
8.4.6 Rest of Asia-Pacific
8.5 Middle East & Africa
8.5.1 Middle East
8.5.2 Africa

Chapter 9. Company Landscape

9.1 Introduction
9.2 Market Share Analysis
9.3 Key Development & Strategies

Chapter 10. Company Profiles

10.1 Philips Healthcare
10.1.1 Company Overview
10.1.2 Treatment Overview
10.1.3 Financials Overview
10.1.4 Key Developments
10.1.5 SWOT Analysis
10.2 Retina Implant AG
10.2.1 Company Overview
10.2.2 Treatment Overview
10.2.3 Financial Overview
10.2.4 Key Developments
10.2.5 SWOT Analysis
Figure 16 Retina Implant AG: Segmental Revenue
